

# Name:- M.HARI HARAN RAO

Computer Science and Engineering

Email: meesalahariharan.143@gmail.com

Phone: +91 8260831271

College roll no : 21CSE009

University roll no : 21UG010430

---

## Career Objective

Dedicated B.Tech computer science student with a good understanding of programming and data structures, and basic proficiency in Java, Python, and C. Eager to apply my skills and contribute to dynamic software development teams.

## Educational Qualifications

| Degree and Year          | Institute                    | Board | Marks/CGPA |
|--------------------------|------------------------------|-------|------------|
| B.Tech(CSE)              | GIET UNIVERSITY,<br>GUNUPUR  | AICTE | 7.23       |
| +2 Science in 2021       | Sri Chaitanya Junior College | SSC   | 72         |
| 10 <sup>th</sup> in 2019 | ST.Xavier High School        | CBSE  | 53         |

## Training / Certification

- NPTEL – Privacy and Security in Online Social Media
- NPTEL – Joy of Computing with Python

## Achievements and Extracurricular activities

- Certificate of Participation in Cambridge University
- Successfully Completed Introduction To Java at (SoloLearn) Platform
- Successfully Completed Introduction To SQL at (SoloLearn) Platform

## Technical Skills

- OPPS (Object Oriented Programing) in JAVA
- C
- Data Structure
- Java
- SQL

## Internship Programs

- Craw Security(17/June/2023 – 20/July/2023)

### Internship Project Details

|                            |   |
|----------------------------|---|
| <b>Name of the Project</b> | <b>Basic Network security Assessment</b>  |
| <b>Device used</b>         | KALI LINUX  |
| <b>Description</b>         | Vulnerability testing, reconnaissance, and port scanning on targeted websites to identify potential weaknesses, gather intel on the network, for enhanced protection. |

### Project Details

|                            |  |
|----------------------------|--|
| <b>Name of the Project</b> | <b>Disease Prediction System</b>   |
| <b>Language used</b>       | HTML,CSS,JAVASCRIPT,PYTHON   |
| <b>Device used</b>         | Web Application  |
| <b>Description</b>         | The Disease Prediction system is an end user support and online consultation project. Here, we propose a web application that allow users to get instant guidance on their disease through an intelligent system |

### Personal Details

|                        |   |
|------------------------|---|
| Date of Birth          | 28/07/2003  |
| Gender                 | Male  |
| Father's Name          | M.Bhaskar Rao                                     |
| Address                | Roith Colony 6 <sup>th</sup> Line RAYAGADA Odisha |
| Alternate phone number | 9938496062  |
| Language Known         | English / Telugu / Hindi / Odia                   |
| Interests & Hobbies    | Badminton / Swimming                              |
